PARTICIPANT BIOS

Abbey Bernard broke her arm at Chick-fil-A so anytime she goes she eats chicken with her trauma 😞 **Aliya Levin** already misses her dog. **Annabelle Owen:** I have been doing theater since freshman year, I love my friends and family, and I'm a big K-pop fan. **Atiana Steward-Boxley** would possibly like to be a tree. My name is **Ava Sowers** and my prop came from China. **Avery Fast:** I bought my hat from Walmart yesterday because I did not have a costume to bring. **Calder Moore** (#874) is an up-and-coming actor/singer/physicist from Broomfield, CO (he hopes you enjoy the show!) **Cecilia Tameron-Grap** is so ready to slay these 24 hour plays! 🤪 **Clementine Jenkins** is put together chaos. **Connor Huddleston** OCU Acting Class of '28, learned how to juggle two days ago, absolute sick nasty frisbee skills. **Dahlia Ridenhour** is literally Spiderman. **David Perez:** I like cats, thank you! **Ella Adams** is an overly enthusiastic stage manager (who is easily distracted by ducks) and is excited to be a part of this year's 24 Hour Plays! **Ella Wang:** Incoming senior, sings, piano, guitar, wants to do stage combat **Emma Royer** did not actually write The Odyssey, despite rumors. **Furious Richmond** is usually known as "that guy with the cool name. **Grayson Chilcote** hopes you enjoy his brand-new play! I'm **Jack Honeyman**, and I'm a bit sleepy right now. **Jacqie DeShazo** desperately needs a full night's sleep. **John Cross** is a Duolingo-obsessed, scared-of-heights, dog-loving playwright from Durham, NC. **Kat Raehpour** is thrilled to be making her directorial debut! Yo, I'm **Kaveh Naficy**, my chess.com rating is 1800, I dislike lammas, and my spelling is atrocious. **Kili Thompson** probably over-caffeinated.

ABOUT THE 24 HOUR PLAYS

The 24 Hour Plays® (est. 1995) bring together creative communities to produce plays and musicals written, rehearsed and performed in 24 hours. Through our radically-present approach to theater, we make work that responds immediately to the world around us, builds communities and generates new artistic partnerships that invigorate the American arts and entertainment industry. Here's what we do the other 364 days of the year:

The 24 Hour Plays: Nationals

Each summer, we bring together actors, directors, playwrights, stage managers, producers, composers, and designers for *The 24 Hour Plays: Nationals*, our annual free, professional intensive for early-career artists that culminates in their own production of The 24 Hour Plays in an off-Broadway theater. We are proud to partner with Pace University's Sands College for this annual program.

The 24 Hour Plays: Los Angeles

Since 2002, The 24 Hour Plays have brought together creative communities in Los Angeles to make work over the course of a single day. After a sold-out show in March, our flagship West Coast event returns on to the Hudson Theatres on September 23rd to showcase the LA entertainment community in a had-to-be-there night of new plays, produced in our unique two-theater model

The 24 Hour Plays on Broadway

The 24 Hour Plays on Broadway is our signature event bringing together stars from Broadway, film and TV. This event supports our non-profit work around the world year-round. Join us on October 21, 2024 at Town Hall in NYC for our 24th annual production!

The 24 Hour Plays: Viral Monologues

At the onset of the COVID-19 pandemic, we responded on March 17, 2020 with *The 24 Hour Plays: Viral Monologues*, a socially-distanced adaptation of our event that generated over 600 new free-to-view theater pieces connecting over 1000 artists from stage and screen with audiences worldwide. Watch them on our Youtube channel @24hourplays!

The 24 Hour Plays: Around the World

We partner with creative communities of all kinds to produce their own versions of The 24 Hour Plays in theaters and schools around the world. In 2024, we have shows in Dublin, Little Rock, Nashville, Sacramento, the International Thespian Festival, Minneapolis, and many more. Ask us about how you can bring The 24 Hour Plays to your hometown!
